

NEW LIFE

COMMUNITY CHURCH

I am so excited that you have made the decision to honor the Lord through the act of water baptism. I consider it a joy and a privilege to share the experience with you. The water baptismal service will take place during the normal Weekend Services times. This is a special day for you; use this occasion to invite some of your close friends or family members to share the day with you. I am so happy for you, and pray that you will remember this day for the rest of your life.

Between now and the day of your baptism you will need to put some thoughts together that express “WHY” you want to be baptized.

- 1) **Have you accepted Jesus as your Lord and Savior?**
- 2) **WHY do you want to be water baptized?**

Before diving in you should have an understanding of baptism and the reason you want to be baptized. We would love to hear your story when you sign up for the next baptism service. Your answer can be a sentence or two, or you can share a brief testimony of your spiritual journey that has led you to this decision.

Below is a list that will help you prepare and ensure that all goes well for your baptism on Sunday. A t-shirt will be provided for you.

THINGS YOU WILL NEED

- **A PAIR OF SHORTS / SWIM TRUNKS**
- **A TOWEL**
- **DRY UNDERCLOTHES**
- **HAIR DRYER (IF NEEDED)**

Your family or friends are more than welcome to take pictures or video your baptism. If they need to move closer to the front to ensure they get a good view, that is perfectly acceptable as well. Please try to arrive at the church about 10 minutes early and come check in at the information center so we know you are here and can give you some direction for the service.

Again, If you have any questions concerning your baptism, please feel free to contact me at the church office (913) 856-5683 or my cell phone (630)-957-7877.

With Joy,

Lucas Motley
